

BESPOKE GPS PACKAGES

Looking for a GPS treasure hunt tailored to you? Then look no further

At GPS hunts we can incorporate your own questions, answers, tasks and locations into one of our existing treasure hunts. Questions/Clues can be about your business, staff achievements, lessons from your team build or even photo tasks/challenges. Clues can be as serious or as fun as you like (or a mix of both!). We can incorporate your company name and logo too. The choice is yours.

Available as Self Managed or Fully Managed Packages

Our Bespoke GPS Packages are available for both Self and Fully Managed events. There is an additional fee to cover the cost of the work involved to customise and create your treasure hunt. For more information or quote, please give us a call.

Anywhere Packages

If you would like a hunt in a location we do not currently offer, our Anywhere GPS package will be of interest! We can also customise the Anywhere Hunt to your requirements (additional set up fees apply). If you would like some more information or quote, please contact us.
